

# CHINA

## Administrative Divisions

- International boundary
- Province (*sheng*), autonomous region (*zizhiqu*), or municipality (*shi*) boundary
- National capital
- Province (*sheng*), autonomous region (*zizhiqu*), or municipality (*shi*) capital

*China has 23 provinces (sheng), five autonomous regions (zizhiqu), four municipalities (shi), and two special administrative regions. China considers Taiwan its 23rd province. Autonomous regions and municipalities are shown in italic type.*
